Dear Ronel,

On behalf of Landmark Projects I would like to express our thanks for the excellent service we received from Kings.

Kings were instrumental in ensuring that the physical relocation portion of our projects, for both Murray & Roberts Construction and Stefanutti Stocks, went without a hitch. Our clients were impressed.

We would not hesitate to use your services in future or to recommend you to any of our clients. It is refreshing to work with a moving company who is as dedicated as Kings and provides personal service and attention to detail. King's on site staff were a pleasure to work with.

Yours sincerely
