Dear Ronel

OUTSTANDING SERVICE OVER THE PAST 7 YEARS

I wish to thank you and your team for the superb service you and your company have provided us over the past seven years. We have worked intimately together on some small to rather large projects with the knowledge that once Kings have been appointed we feel secure that the job will get completed on time in a friendly and efficient manner.

We have worked with other moving contractors over the past 14 years in the industry and I for one am always happy when I know that we will be working with the Kings team. There have been times where the move bookings have only been confirmed at the eleventh hour and one call to yourself and I know that you will make a plan to accommodate our clients. You also provide the labels and boxes timeously which makes a tough project a pleasure.

The pricing is market related and the most important thing are the teams you send to the sites who are prepared to do whatever it takes to get the job done and make last minute changes to suit a client.

Thank you for making what we do so much easier.

Yours sincerely

Nicole Maguire
